2.1.2 No Contract shall be entered into until the Company shall have accepted an order in writing from the Buyer.

2.1.3 Orders are accepted subject to and conditional upon availability at the time of placing the order and at the time of despatch.

2.1.4 Confirmation of an order by us whether oral or in writing does not constitute guarantee of delivery.

2.1.5 The Company reserves the right to offer substitute varieties to those originally ordered.

2.1.6 Any descriptions, illustrations or colour representations specified in the Company's Sales or Promotional literature are shown as a general guide or description only and do not constitute compliance with any particular detail specified or otherwise in such Sales or Promotional literature and can not be taken as true representation.

2.2 These terms of Sale apply to the financial settlement as stated in the Company Sales literature and contained in these Conditions.

3.0 Cancellation

3.1 No order which has been accepted by the Company may be cancelled by the Buyer except with the agreement in writing of the Company and on the terms that the Buyer shall indemnify the Company in full against all loss (including loss of profit), costs (including the costs of all labour and material used), damages, charges and expenses incurred by the Company as a result of cancellation.

4.0 Price and Payment;

4.1 The Company reserves the right, by giving notice to the buyer at any time before delivery, to increase the price of the goods to reflect any increase in cost to the Company which is due to any factor beyond the control of the Company, including (without limitation any foreign exchange fluctuation, currency regulation, alteration of duties, any change in delivery dates, quantities or specifications for the goods which is requested by the Buyer, or any delay caused by any instructions of the Buyer or failure of the Buyer to give the Company adequate instructions or information).

4.2 Unless otherwise stated, or agreed in writing, the Buyer shall pay all amounts due within 30 (thirty) days of the due date for payment then, without prejudice to any other right or remedy available to the Company, the Company shall be entitled to;

4.2.1 Cancel the contract or suspend any further deliveries to the Buyer;

4.2.2 Demand payment of all outstanding balances whether or not due and/or cancel any outstanding orders from the Buyer;

4.2.3 Appropriate any payment made by the Buyer to such of the Goods (or the Goods supplied under any other contract between the Buyer and the Company) as the Company may think fit (not withstanding any purported appropriation by the Buyer);

4.2.4 Charge the Buyer interest (both before and after any judgement) on the amount unpaid, at the rate of 2% (both before and after any judgement) per month or any part thereof until payment in full is made.

4.3 Unless otherwise stated, or agreed in writing between the buyer and the Company, the Company shall be entitled to invoice the buyer for the price of the goods on or at any time after delivery of the Goods, unless the Goods are to be collected by the Buyer or the Buyer wrongfully fails to take delivery of the Goods, in which event the Company shall be entitled to invoice the Buyer for the price at any time after the company has tendered delivery of the Goods or notified the Buyer that the goods are ready for collection.

4.4 The Buyer shall pay the price of the Goods (less any discount to which the Buyer is entitled, but without any other deduction) upon the date of receipt of the Company's invoice not withstanding that delivery may not have taken place and the property in the Goods has not passed to the Buyer.

4.5 Discount offered by the Company to the Buyer shall be conditional upon strict adherence to the Terms of Payment 3.2 and the time of payment of the price shall be the essence of the contract. Receipts for payment will be issued only upon request.

4.6 The Buyer shall have no right of set-off, statutory or otherwise.

4.7 The company reserves the right at any time at its discretion to demand security for payment before continuing with the contract or delivering of Goods.

4.8 The price is exclusive of any applicable value added tax or other tax or duty, which the Buyer shall be additionally liable to pay to the company.

5.0 Transfer of Title and Risk

5.1 Without prejudice to the stipulations of paragraph 4.0 of these conditions products become the property and risk of the buyer on the moment of delivery.

5.2 For as long as the buyer has not paid the full amount of the purchase price with additional costs if any, or has provided security in respect thereof, the title in the products shall remain with the seller. The title in the products shall pass onto the buyer as soon as he has fulfilled his obligation to pay the seller.

5.3 If the seller became aware after the conclusion of the agreement of circumstances which give him ground to fear that the buyer will fail to fulfil his obligation to pay the purchase price to the seller, he shall be entitled to annul the agreement by termination if the buyer did not provide security within 14 days of the summons, without prejudice to the seller's right to recover any damage sustained as a consequence hereof from the buyer.

6.1 The seller retains a general lien on any of the buyer's equipment or materials in its possession for any unpaid balance the buyer may owe the seller. The seller shall be entitled to sell such equipment or materials in the event that payment is not made in full within 28 days of notice given by the buyer to the seller of its exercise of the lien. The proceeds of the sale may be taken by the seller for reimbursement of the expense of its exercise of the lien and the sale, and payment of the said balance, and the seller shall account for any surplus.

7.4 The Goods may be delivered by the Company in advance of the quoted delivery date upon giving reasonable notice to the Buyer.

7.5 Where the Goods are to be delivered in installments, each delivery shall constitute a separate contract. Failure by the Company to deliver any one or more of the installments in accordance with these conditions or any claim by the buyer in respect of any one or more installments shall not entitle the Buyer to treat the Contract as a whole as repudiated.

8.0 Export

8.1 Where Goods are supplied for export from the mainland United Kingdom, the provisions of this Condition 6.0 shall apply.

8.2 Where the Company agrees to deliver the Goods outside of the mainland United Kingdom, the Buyer shall be liable to pay the Company's charges for transport, packaging and insurance.
